

Payments with credit cards in www.furnish.bg

Directly through the site using credit cards VISA or Master Card

In order to do this, you have to choose the product you like and add it to your virtual shopping basket, click on "Continue shopping", fill out the form and choose the option for credit card payment. We will reply to you in 24 hours on working days. To make a payment you have to use the link at the end of our email to you, which leads to the payment page. On that page you can read again the product's details, payment conditions and if you agree, you will start filling out the credit card details for BORICA system.

When you are done with this you will be transferred back to the site, where you will see the result of your payment. You will receive an email for "Payment result".
