

Instructions for working with online shop www.furnish.bg

Click on a category from the left menu, choose a product, its color and option /where applicable/ and quantity, then add it to your basket.

If you like to choose another product, click on "Continue shopping"

When you are done, click on ""Proceed to checkout", fill out the form and press "Submit". In 24 hours you will receive an ordered confirmation email with detailed description and value of the products chosen from you, delivery cost and term, payment instructions.

If you change your mind about ordering, just click on "Empty basket".
